- Chatting to visitors and making them feel at ease
- Encouraging visitors to wear facemasks into the galleries (unless exempt), to sanitise their hands and to adhere to the Government's Covid-19 guidelines
- Getting to know the collections and displays and responding to requests for information when you can
- Getting to know the rest of the site so that you can promote it to visitors
- Directing people to the downstairs galleries and escorting them if needed
- Checking that all interactives and audio-visuais are working and reporting any problems
- Helping people to get started with the interactive activities and/or audio guides if needed
- Operating the lift between levels if needed
- Helping with visitor surveys and/or welcoming visitors on other parts of the site if needed eg the special exhibition galleries
- Saying goodbye and thank you to all visitors as they leave.

What's in it for you?

- Being part of an exciting new heritage development
- Volunteering as part of the visitor team
- Developing new skills and knowledge and/or building on existing experience
- Meeting and engaging with a variety of people.

This role will suit people who enjoy interacting with a diverse range of people and have good communication skills; are enthusiastic about the heritage centre and willing to learn about the displays and activities; are diplomatic and sensitive to the needs of others; enjoy working as part of a team.

At the museum we aim to be:

- an engaging, immersive, experience for all
- a beautiful building in the heart of Newmarket, celebrating the fascinating world of Horseracing & British Sporting Art – a living museum
- the destination to meet, eat and enjoy a day in Newmarket
- more than just horses and racing, an inspirational and flexible community space for families to relax and be social
- a vibrant hub and new accessible venue in the Newmarket community
- a must-visit destination.

As part of this exciting development we offer a range of volunteering opportunities to help us achieve these aims.
